

# Victorian School Nurses Casual Relief Register 2020

For changes or new additions please email - [vicepresident@victorianschoolnurses.com.au](mailto:vicepresident@victorianschoolnurses.com.au)

We are not a nurse agency. This is just a list of members who are willing to help out other members and their schools to cover leave.

Nurses are to negotiate their own pay/hours etc with the individual schools and provide evidence of appropriate accreditations.
